## LEGISLATIVE STRUCTURE & THE LINK WITH AN INTEGRATED MANAGEMENT SYSTEM

**Acts Explain – Responsibilities, what needs to be achieved and why.**

**Policies Explain - Responsibilities, what needs to be achieved and why.**

**Regulations Explain – How these responsibilities are to be carried out.**

**Management Procedures Explain – How these responsibilities are to be carried out.**

**Standards and Codes of Practice are specific instructions on how to comply with common law requirements in certain situations and are often considered “Best Practice”**

**Standard Operating Procedures are specific instructions on how to complete a task.**
